

Project Tree Line

Description and Goal

This summer The Leadership Center has started working on the tree line that sits on the northern edge of the property. We have begun cutting down the pine trees that were planted almost 40 years ago because many of them are dying due to disease or were planted too close together and have hardly any branches with green pine needles on them. *Project Tree Line* will not only benefit The Leadership Center but also our amazing neighbors. We are planning on planting at least two rows of Colorado Blue Spruce trees on the property line to serve as a visual and sound barrier as well as an additional two rows with one of those being Chanticleer Pear trees and the other being Red Dogwood trees. These two rows will be more visually appealing along the running paths because they are flowering trees. The majority of trees for *Project Tree Line* will be purchased from Luthy Farms located here in Aurora. We are asking for \$250 contributions from donors to help pay for the trees as well as their installation and watering system. Donors will have their name prominently displayed on a plaque in The Leadership Center lobby. Thank you for your consideration and ongoing support of The Leadership Center.

Amount Left to Raise

\$10,000

Proposed Deadline

December 2018

Information about *Project Tree Line* is posted on our Facebook page and will be continually updated through our blog posts on the TLC website www.tlcaurora.org.

Respectfully,

Maile Ilac Boeder

Mailing Address: _____

E-Mail: _____ Phone: _____

Donation amount: _____

Check #: _____ Date: _____

**Please make checks payable to "The Leadership Center." Please note in the memo: "Project Tree Line."*

***Mail completed form and check to: The Leadership Center*

2211 Q. Street

Aurora, NE 68818

****Please make a copy of form for your records and receipt.*

Thank you for contributing to Project Tree Line. Donations will be used to purchase trees as well as install them and their watering system. All donors that make a contribution to *Project Tree Line* will have their name engraved on a plaque in The Leadership Center lobby. The trees planted through Project Tree Line will benefit The Leadership Center and the surrounding community for years.

The Leadership Center is a 501(3)(C), so contributions are tax deductible.
