Enclosed are the original and one copy of the 2018 Exempt Organization return, as follows...

2018 Form 990

The enclosed forms and return have been prepared from the records and information furnished to us by you or on your behalf. All of the forms have been reviewed for content and accuracy. However, we ask that you examine each form carefully before mailing to make certain that the information and figures are in agreement with your records. If you note any item that is not in agreement with the information supplied to us, please let us know. To complete your file in our office and provide us with a record that you have received the return, we ask that you sign and mail back to us the postal card attached to this letter.

As you may know, increasing responsibility is being placed on organizations for the maintenance of records supporting income and expense items. Added responsibility and potential liability exist to a greater degree than ever before. Therefore, it is necessary for you to make certain that your books and records are properly maintained and that the supporting data (bank statements, canceled checks, invoices, etc.) are preserved to support the information that is included in your income tax returns for a period of not less than five years from the due date of the return.

We are pleased to be of service and to assist in these matters. As always, we are available for consultation during the year and will be pleased to assist in other accounting, tax, or financial matters should the need arise. If you wish, we will represent you before the taxing authorities if your return should be selected for audit. Any such service will be billed as an additional charge.

Yours truly,

Dana F. Cole & Company, LLP
