

Second Saturday Flights

Espressions: Coffee & Community
Flights inspired by
Games inspired by BOOKS!

Select 3 drinks you'd like to enjoy on your flight. Each drink in this month's flight's are inspired by some fantastic books that inspired board and/or video games! Drinks come in 8-oz cups and if they have espresso in it, they include 1 shot. Your flight will come with two game inspired cookies! Flights are only served in-house. You are welcome to order a regular sized version of any of these drinks that you can enjoy in house or to-go. Thank you!

___ **Cyberpunk 2077:** Throughout this game you will find Coffee with Syn-Milk to hydrate with. Our version of this drink is an Au Lait made with our our Daily Brew, steamed almond milk and topped with foam.

___ **Discworld:** Inspired by author Terry Pratchett's need for his morning coffee. This is a cup of our daily brew. Request cream if you'd like it.

___ **Discworld Noir:** Discworld meets Sherlock Holmes and needs an extra kick! Enjoy our daily brew with an extra shot of espresso. Again, feel free to request cream.

___ **Dune: Spice Wars:** On the planet Arrakis, they drink coffee with spice mélange. Our version is a vanilla chai latte with a shot of espresso. It's topped with foam and cinnamon.

___ **Call to Adventure: Stormlight Archive:** Lavis beer and ale are often enjoyed on the planet Roshar. We don't have it on tap, so today we offer you our version which is a creamy white mocha with toffee nut syrup topped with whipped cream.

___ **Wonderland Wars:** Alice won't be late for important date. She wouldn't miss our Earl Gray latte with milk and lavender.

___ **Game of Thrones:** Throughout the book, they drink iced milk with honey. Our version is an iced honey latte made with honey, espresso, milk and ice.

___ **Lord of the Rings- Journeys of Middle Earth:** In Middle Earth they drink many things for energy, for healing, and for celebrating. Our Matcha lemonade on ice is just that!

___ **Red Rising:** The Ragnar's Vast Hungar is served exclusively in the civilian restaurant at Skyresh Interplanetary Spaceport during the Solar Wars. We earthling don't want to miss out! Our version is a mocha affogato (yep, ice cream) with peanut butter, walnuts, and a shot of espresso and topped with a cherry!

___ **Jekyll vs Hyde:** A drink of duality times two! A white and dark mocha with espresso and steamed milk topped with whipped cream and a dash of Mexican mocha powder.

___ **Black Sonata:** Based on the sonnets of William Shakespeare and his mysterious Dark Lady, we present to you our cold brew with mocha sauce and vanilla cold foam.

___ **Pillars of Earth:** In Kingsbridge, England in 1100's, they drank Posset. Posset was sweetened and spiced milk curdled with ale or wine. Our Posset is neither curdled or alcoholic! Our has sweet & condensed milk and cinnamon powder with a shot of espresso ran over it.

We encourage to flip over your menu to learn more about these incredible books, authors, and games! ENJOY!

All of our Second Saturday Flights this year are inspired by authors or novels or stories! We've dedicated 2025 to reading! Check out our Worldwide Reading Challenge at www.TLCEspressions.org or scan this QR code -->

Second Saturday Flights

Espressions: Coffee & Community

Flights inspired by Games inspired by BOOKS!

We learned so much about these books, authors and games. Trust us, we've added a few these books to our "To Be Read" list as well as adding a few of these games to our cart! It's so cool to see how books impact and inspire so many areas of our lives.

Cyberpunk 2077: Inspired by William Gibson's William Gibson's novel "Neuromancer" Neuromancer is a cyberpunk novel released in 1984 about a group mercenary criminal who secretly work for an artificial intelligence that's trying to break free. While it is considered a bit of a difficult read, it has a cult following.

Discworld: Written by Terry Pratchett. The Disc is the setting for all forty-one Discworld novels; it was influenced by world religions which feature human worlds resting on turtles, as a setting to reflect situations on Earth, in a humorous way. The Discworld is peopled mostly by the three main races of men, dwarfs and trolls.

Discworld Noir: Also inspired by Terry Pratchett's Discworld with a little Sherlock Holmes thrown in for good measure!

Dune: Spice Wars: This game is inspired by The Dune Series by Frank Herbert is one of the world's best-selling science fiction series. The entire series is based on the story of Paul Atreides, whose family accepts stewardship of the planet Arrakis. While the planet is an inhospitable and sparsely populated desert waste land, it's only source of m \acute{e} lange, or "spice", a drug that extends life and enhances mental abilities.

Call to Adventure: Stormlight Archive: This game is a based on the Stormlight Archive series by Brandon Sanderson. This series and other Sanderson books have inspired video games, board games and have been optioned for film.

Wonderland Wars: Alice in Wonderland is a children's novel from 1865 and written by Lewis Carroll. Not only has this book inspired the board game but it has heavily influenced the TV Series Lost as well as the beloved Johnny Depp movie.

Fun Facts: Both Clue & Assassin's Creed were games before inspiring books, other games ,tv shows and movies!

Lord of the Rings-Journeys of Middle Earth: Lord of the Rings Series was written by J.R.R. Tolkien in the 1930's and 40's/ It has sold over 150 million copies. These books have also resulted in a much beloved movie franchise.

Red Rising: The game is based on Pierce Brown's Red Rising Trilogy. This trilogy is a dystopian sci-fi series about a man who joins a rebellion against a color-coded society. The rights to these books have been optioned for a TV series adaptation but hasn't come to fruition yet.

Jekyll vs Hyde: Inspired by Robert Louis Stevenson's A Strange Case of Dr Jekyll and Mr Hyde. This book was first released in London in January of 1886. This book and its story of duality has inspired many movies including a team favorite, "Fight Club". It also inspired several comics, video games and books.

Black Sonata: Based off sonnets written by William Shakespeare, specifically the identity of the mysterious Dark Lady featured throughout those sonnets. For more than four centuries, scholars have argued about her identity. This argument inspired this single player game.

Pillars of Earth: Pillars of the Earth is set during the medieval period and follows Philip of Gwynedd, the prior of Kingsbridge, and the people of the land as they struggle to survive and to build a new cathedral. It explores themes of power in the form of monarchy, feudalism, and patriarchy. Within that struggle inspires themes of revenge, often via the idea that the ends justify the means. The novel was published in 1989. It is Ken Follet's most successful novel.

Game of Thrones: Game of Thrones inspired by the first book in A Song of Ice and Fire series by George RR Martin. The principal story chronicles the power struggle for the Iron Throne Among the great Houses of Westeros following the death of King Robert in a Game of Thrones. It has inspired two hugely popular TV series, numerous novellas, and fan generated writing.

Did you know that we host a Game Night every Friday night from 6-8 p.m. You can join us to play a game or bring some friends and your own game! It's a time to play games, have fun, and enjoy community! You can find all our happenings on our website.
