

MAGIC GEL PLATE PRINTING

with Creative Catalyst
Cindy McClellan

Saturday, April 11
1-4 p.m.

Espressions: Coffee & Community

Join us for a hands-on Gel Plate Printing Workshop where color, texture, and creativity collide! Whether you're a total beginner or a seasoned artist, you'll discover the joy of creating one-of-a-kind prints using simple tools and a whole lot of imagination.

In this playful, low-pressure session, you'll learn:

- How to use a gel plate to create stunning layered prints
- Techniques for textures, patterns, and mark-making
- Color blending secrets that bring your prints to life

No experience needed—just bring your curiosity and a willingness to experiment.

You'll leave with a collection of unique prints and the skills to keep creating at home.
