Advisors/Coaches:

Please bring school calendars, any team work that needs to be addressed during team time, and any items that you need to be able to effectively work during your allotted team times.

Students will be encouraged to silent or shut off any devices during all D4LC sessions and meals. They will be able to check them between sessions and at night. Our intention is that they will spend time connecting with attendees during their time with us.

There will be time to swim, fish, play sports-inside & outside, paddle boat and we will also have a bonfire complete with some music and s'mores. If it is too hot or raining, we'll have a movie night instead.

Should there be an emergency and you need to reach D4LC Staff, please call The Leadership Center's office at 402-694-3934 or our Executive Director's cell phone 320-420-6424. Her name is Maile.
