# TLC Kitchen

Creating Moments that Matter through delicious meals and kitchen giggles.

**91,909**  
**meals served**  
at TLC, through catering, or Espressions

## Culinary Education

This year we hosted 6 students in a summer camp while also creating an opportunity for our summer intern, Alex, to gain immense experience from baking pastries for our coffee shop, packing meals each day for summer food service program, creating creative dishes for the Imagination Bacon competition and more!

# We Travel!

**We served in over 15 communities this year!**

# Culinary Programs

## Baking Parties

Baking parties are designed for birthdays and other celebrations. They include cakes, cookies, or cupcakes plus decorating tools and frosting for up to 15 participants

## Delectable Creations

Delectable Creations are educational experiences for 5-15 people facilitated by the TLC team and our Executive Chef. We periodically offer public classes and offer private team/group experiences

## Culinary Experiences

Culinary experiences are for small groups (up to 6 people) to have the opportunity to cook and dine with our Executive Chef. All experiences include 3 courses: appetizer, main dish, and dessert. Participants can participate in cooking as little or as much as they'd wish and go home with the recipes!
