

In this oil painting workshop, the first few days you can expect demonstrations in the morning and painting exercises in the afternoon, followed by a 2-day pose. We'll be honing in on specific painting skills and the unique problems of painting the living, human form.

Here's an outline of this workshop's thematic demonstrations, and the exercises we'll be doing:

(Expect demos in morning, and painting in afternoon)

1. Intro to figure painting and color study
2. A focus on form
3. Alla prima practice
4. Long pose painting (2-day pose)
5. Long pose continued...
