About our coffee provider

Cultiva is a coffee roastery founded in 2004 in Lincoln, NE. They expanded to three shops in 2015, and their two cafés offer delicious brunch options along with beautiful, caffeinated beverages.

Cultiva Labs is their coffee roastery where all the bean goodness is created, featuring an espresso bar! All three locations are open to the public, and don't be afraid to come check out the lab!

Ask about our Mug Club! It's a great way to enjoy coffee (or tea or other drinks) with discounts!

Brought your own mug? Great! Use it and we'll give you \$0.50 off your drink. Just make sure it's empty and you keep the lid while we make your drink!
