

## **Acrylic/Mixed Media-3-Dimensional Workshop with Cody Kuehl**

**Day one:** digital art and illustration

Sizing image, layers, brushes, color, inking a sketch

**Day two:** Hardware and construction

Back painting, image transfer, conceptualizing color theory

**Day three:** painting on plexiglass, basics of color

**Day four:** Opacity and layer development

**Day Five:** Finish the work and questions from along the way.

\*\* we'll be doing various experiments with three dimensional and layered art throughout the workshop.
