

SPONSORSHIP

LUNCH BUNCH MISSION

Our mission is to create a nurturing environment for youth aged 18 and under. Through the dedication of engaged adults and student leaders, we provide wholesome meals, enriching activities, and opportunities for community engagement every weekday during the summer. Our aim is to cultivate lasting friendships and mentorship connections among young participants.

WHY SPONSOR?

We currently have Lunch Bunch sites in Aurora, Central City, and Marquette. In the past, each of these sites have been partially funded by the USDA's Summer Food Service Program. Recently, Aurora and Central City's qualification status has changed although the food needs in the community are still evident. More importantly, we believe community is ALWAYS needed, and is never in excess. Not only is this just for the three communities, but also, The Leadership Center also has so far introduced over 2,400 individuals on youth leadership teams to service through this program. In 2025, our goal is to raise \$35,000 to fund over 2800 meals across all 3 sites.

NOTES OF IMPACT:

"Lunch bunch has helped us tremendously over the last few summers. It provided my 3 kids with a balance healthy meal each and every day. As people who are always on the go it saved both time and money. With 3 boys you can imagine our grocery bill, so this also helped us out tremendously financially in the summer! Not only was the food great and healthy but the company was just as good! It was the sense of community. It was a great way for kids and parents to socialize."

-Lunch Bunch Mom

TLC's Lunch Bunch provides food for my kids when groceries run short at home. We count on free meals from the school to be able to stretch our income from one paycheck to the next, and having the kids home during summer adds food expenses we can't always afford. This program helps make up the difference.

Please send this form with a logo file to Maile at executivedirector@tlcaurora.org

VOLUNTEER OPPORTUNITIES

TIME IS VALUABLE TOO!

Volunteering at lunch bunch can be the most rewarding part of not just your day, your week, your summer, but maybe even your year! We are continuously surprised by the gratitude shown by our lunch bunch-ers and would love to tell you all the stories of impact our team has experienced.

Volunteering consists of arriving on the site at 11:30, serving meals and playing games for an hour, and helping our staff pack up our vehicles before they leave. This is the perfect opportunity for anyone, but specifically high school sports teams, officer teams, and business groups.

HOW TO VOLUNTEER
