

### **Acrylic/Mixed Media-3 Dimensional Workshop Supplies:**

**Digital drawing supplies:** I highly recommend an iPad with Apple Pencil and the procreate app, but you could also use a similar tablet with a stylus and drawing software. A laptop with a drawing tablet and photoshop is also totally fine. Highly recommend a stylus that has Bluetooth and pressure sensitivity.

### **Sketchbook and pencils**

Paints: Please bring a tube of each of primary and secondary colors, raw umber, burnt umber, black and white.

Basic brush set: any small set of brushes that contains a 1/4" angled brush, a 1/2" angled brush, a 3/4" angled brush, and a fine tip brush should work. Acrylic brushes.

A few rough sketch concepts or more finished drawings to develop

### **Other Materials**

- (3) 8x10" plexiglass panel
- 8x10" unfinished or primed panels
- (3) 8.5x11" pieces of foam core
- A Sharpie medium tip black paint marker
